

Let Northern Neck Popcorn Bag . Pop for your purpose! Many organizations, clubs, and schools in the Northern Neck Community, have relied on us to provide a unique and popular local product for fundraising. Northern Neck Popcorn Bag offers a profit margin competitive with national companies. Northern Neck Popcorn Bag proudly supports local educational and not-for-profit organizations through these Popping for a Purpose partnerships. Northern Neck Popcorn Bag is happy to schedule a call or communicate via email to discuss flavors and dates for the sale. Email terrinnpopcornbag@gmail.com for questions.

The steps are simple:

1. Choose your flavors. The sale consists of one size container. (This is a recent change we have made to this program, the forms below do not reflect that change) Northern Neck Popcorn Bag will design the menu and order forms, and send the digital file to you, to print. Northern Neck Popcorn Bag will utilize your organizational logo, branding etc, and include a synopsis of what the profits will support (the sales, basically “the cause” and include it on the menu. Northern Neck Popcorn Bag will also provide an order form, and a master order form for final turn in of orders. Savory retail is \$9, Candy retail is \$10 and Specialty retail is \$16
2. Select your start and end dates for sales. Your organization will collect orders and payments. Payments are made to your organization. Your organization will tally and consolidate the master (form provided, see below), and submit order and payment to Northern Neck Popcorn Bag. Your organization will receive a 40% discount, which allows your organization to keep 40% of the funds raised during the campaign.
3. Northern Neck Popcorn Bag will fill the order for a pick-up date of your choosing. Turnaround time is 2 weeks.
4. Your organization sorts and distributes orders to your members for delivery. The shortest shelf life is approximately 7 days, Northern Neck Popcorn Bag prefers that all deliveries be made within 3 days of order pickup.

Organization: _____ Sales Goal: _____

Sale Start Date: _____ Sale End Date: _____

Order Turn in: _____ Order Pick up: _____
